Crowne Slate

LIMITED LIFETIME ARCHITECTURAL SHINGLES

Color Featured: Royal Granite

Regal Stone

Royal Granite

Greystone Jade

With stately charm and stand-out curb appeal, IKO's Crowne Slate top-of-the-line laminated fiberglass shingles are fit for the most exclusive properties. A natural slate-like look with precision-engineered roofing materials, creating an exceptional and long-lasting roof.

The industry's most advanced technology. Crowne Slate is built with layers of premium roofing material, saturated and stabilized with SBS modified bitumen. This rubberized material is resistant to hail, wind and extreme heat, providing your home with the protection it needs to become your legacy.

Distinctive Luxury - Striking slate-like look shows an eye-catching appearance that sets your home apart.

- Your neighbors will envy the head-turning look of Crowne Slate. They don't need to know it costs substantially less than real slate.
- Protects against wind uplift and water penetration.
- So strong it has a UL 2218 Class 4 Impact Resistant rating.*
- 15-Year IKO Iron Clad Protection¹
- Covered by a Limited Lifetime Warranty¹
- Meets IRC wind code requirements with a Limited Wind Warranty coverage up to 110 mph (177 km/h)¹
- Limited High Wind Warranty Upgrade of 130 mph (210 km/h).^{1,2}

¹ See Limited Warranty for complete terms, conditions, restrictions and application requirements.

² High Wind Application is required.

*This impact rating for Crowne Slate shingles is solely for the purpose of enabling residential property owners to obtain a reduction in their residential insurance premium and is not to be construed as any type of expressed or implied warranty by the manufacturer, supplier, or installer.

Color Featured: Greystone Jade

Make a bold statement

Each shingle displays an individual blend of color tones.

Together, the stone-like colors are reminiscent of the natural variations of premium slate.

Shingles alone are sometimes not enough to protect your home. IKO has developed a superior multi-layered roofing system incorporating our industry-leading products.

IKO's Pro 4 Roofing System is setting the standard in protecting your home.

IKO's Shingles Crowne Slate, Armourshake, Royal Estate, Grandeur*, Cambridge and Marathon shingles are created using the industry's most advanced technology and selected by consumers who demand the best in terms of quality, durability and value. Along with one of IKO's quality shingles, your Pro 4 System includes these accessory products;

1. Eave Protection

GoldShield, ArmourGard, or StormShield Ice & Water Protectors
IKO's Ice & Water Protectors provide a second line of defense against water penetration due to ice dams or wind-driven rain and the costly damage it can cause. This product is also strongly recommended for sealing around vents, low pitch areas, ridges, hips, rake edges, chimneys, dormers, vent stacks, and skylights.

2. Underlayment

Asphalt Saturated Felt*, RoofGard-SB or RoofGard-Cool Grey Underlayments
Use an asphalt saturated felt underlayment, or our innovative RoofGard-SB or RoofGard-Cool Grey synthetic underlayments for total deck protection.

3. Roof Starters

Leading Edge Plus Starter Strips
Fast, easy and convenient. IKO's Starter Strips are already cut to size saving valuable time during the installation of the first course of shingles. Compatible with all existing IKO Shingles, Leading Edge Plus includes a sealant strip at the bottom edge allowing for a tight seal.

4. Ridge Cap Shingles

Hip and Ridge, Hip & Ridge 12 Cap Shingles or Ultra HP™ High Profile Ridge Cap Shingles
Ridge cap shingles are required where roof planes meet, and provide additional protection along these high stress areas of the roof, enhancing your home's aesthetic appeal by accentuating the roof line.

Color Featured: Royal Granite

Shingle Swatches shown are as accurate as modern printing processes allow. Shingle chips shown do not fully represent the entire color blend range of the shingles. To ensure complete satisfaction please make your final color selection from several full size shingles and view a sample of the product installed on a home.
